

**Wellspring BBQ Bash & EGG Feast Cook Application**  
**May 12<sup>th</sup> . 8 am to 3:30 pm, 2018**

Cooking at this event is not a competition. It is all about teaching and learning grilling & barbecue techniques. Mostly with the Big Green EGG but, there will also be a variety of outdoor cooking techniques demonstrated. If you have never cooked on a Green EGG and would like to try it, this is the day to do it. We furnish the EGG, charcoal & you provide the food. We'll show you how and help you get started. If you ordered a Green EGG burn unit, you might want to be here and cook, that way you'll be the one using your EGG! For every hour that you cook you may enter your name in a special drawing for the cooks only!  
*Prizes to be determined closer to date of event.!*

**To All Cooks**

We realize good meats are not cheap and we do not want to create a hardship for anyone that would like to cook on that day. This is a Fundraiser for ARC of LaGrange County, a facility for special needs people. The public will have a entry fee of a donation before participating in food tasting. You may want to ask someone to help with food cost beings this is a non-profit fundraising. You may have **one Bonus entry** in drawing and if you stay all day! **One Bonus entry** if you furnish your own EGG!
